JIM HOGG COUNTY WATER CONTROL & IMPROVEMENT DISTRICT NO. 2
481 OLD CEMETERY RD. – P. O. BOX 148
HEBRONVILLE, TX 78361

To be a candidate for a Water Control and Improvement District (WCID) board in Texas, an individual must meet several eligibility requirements primarily outlined in the Texas Water Code and Election Code.

General Qualifications

To be eligible for election or appointment to a WCID Board of Directors, a person must be a U.S. citizen, at least 18 years old, and a resident citizen of Texas. They must also either own land subject to taxation in the district or be a qualified voter within the district.

Additionally, candidates cannot have been declared totally mentally incapacitated by a final court judgment, partially mentally incapacitated without the right to vote, or have an unpardoned felony conviction.

Candidacy Filing Process

To appear on the ballot, candidates must submit an application. This application must be filed within a specific timeframe before the election, which is typically 78 days prior to the election date for a May election. Write-in candidates have a different deadline for filing a Declaration of Write-In Candidacy. A recent law mandates that candidates affirm on their application that they have not been finally convicted of a felony or that their rights have been restored; providing false information is a Class B Misdemeanor.
